Dear Sir:-

If women are admitted as students to the University of Toronto, will you send me the name of the best local sorority?

In case there are no sororities, please send me the name of one of your leading students.

Very truly yours,

Mary A. Holt

Dear Madam:

It would be impossible for me to undertake to differentiate between Sororities in the University of Toronto. There are over one thousand women in attendance in the University. I think there are four or five sororities among these.

Yours sincerely,

President.
